

IEA Middle & High School Information

What is IEA?	The MISSION of the IEA is to introduce students in private and public middle and secondary schools to equestrian sports and to promote and improve the quality of equestrian competition and instruction.
What are the requirements to be on the WB IEA Team?	Students are required to attend 2 shows. Students are required to attend tryouts, take a minimum of 2 lessons with WB per month and attend the team meet before their show.
How do IEA shows work?	IEA offers equitation classes. IEA shows provide horses to the riders. Horses are assigned to riders at random. IEA judges the rider and not the horse. Flat Class riders there is no warm-up. Over fences riders may take a lap in each direction, jump 2 jumps then enter the ring.
What is the attire?	Tan breeches, Long-sleeve white on white show shirt, Navy Blue hunter jacket, Black tall boots, Black ASTM Helmet, Belt, Black gloves, Hairnet to match hair color, Black crop.
Is there uniform when not on a horse?	Yes there will be a Mandatory team shirt which will be available in October and need to be purchased by each rider. Cost estimated to be \$80-100. Optional Jackets will be available also.
What levels do they offer?	These are the available divisions : W/TC Flat riders, X-rails with a flat class, 2ft with a flat class and 2ft 6 with a flat class.
What level will I be in?	IEA have strict guidelines that coaches must follow when placing riders in classes. Riders are expected to be jumping higher at home and shows than in their IEA division. The goal of IEA is to provide a safe and enjoyable experience for the riders, not to jump as big as possible, so please keep that in mind when we place you in your divisions. We will use the tryouts to place you in the correct division.
What am I working towards?	IEA works on a point system based on your placing. Once you collect 18 points you qualify for regional's and top riders go onto Zone championship and then Nationals. Our goal is to have all of our students qualified for regional's.
How many shows do I need to attend?	Riders are expected to compete at 5 one day shows.
What are the lesson costs?	The 2 lessons a month will be the same price as your normal WB lesson. The Team tryouts and meets before the show will be \$60.
What are the show costs?	Show cost varies depending on the location and whether we have to rent horses or not. Over the course of last season prices vary from \$125 (one day local show) to \$470 (two day non local show) The payment is divided up, the class and horse rental fees are due a couple weeks before the show and the WB fees for training and trainer hotel are due a couple weeks after the show.
What is the schedule	Shows run from October through January in the Orlando/Tampa Area. End of February there are regional finals for qualifying riders which last year was in Apopka. March is Zone finals for those that qualify from regions.

IEA Middle & High School Information
